

The importance of emergency response in Nigeria

Dr Ola Brown

About Me

- Dr, Economist, Investor, entrepreneur
- HYMS, Jikei, University of London
- Founder: FDHIC, FDN and co-founder; Greentree investments

Context

- Highest maternal mortality rate in the world
- Highest child mortality rate in the world
- Highest number of deaths from accidents in world

Political will?

- Voter interest
- Religion/culture
- Education “slumped and died”
- Geographical terrain
- Policy/Legal loopholes

Emergency skills save lives

At home

At work

At third spaces such as churches
and mosques

Flying Doctors Nigeria

- Founded in 2011
- Stepped down from running it after 5 years
- Started working in investment/finance

National Regional International

Our Impact so far

National centres of excellence

What to do?

- Trained first aiders
- Medevac/emergency cover
- Get family members trained
- Advocacy

Conclusion

CURRENT SITUATION IS
POOR

WHAT MY
ORGANIZATION IS DOING

WHAT WE ALL CAN BE
DOING
